APPEAL FOR FUNDS for WATER LEAKAGE

Dear Enlightened Soul

**PLEASE HELP
US PAY OUR
WATER
LEAKAGE
DEBT.**

Namaste, Vanakum, Namaskaram, Jai Gurudev, Hare Krishna, Namaskar, Hari om .

I offer you greetings from the officials, devotees and beneficiaries of the above organization.

Our organization serves the middle- and lower-income groups. Our facilities are used by ourselves, The Art of Living, Ananda Marga, The Ramakrishna Centre Suthsungh-Phoenix Branch, Arya Samaj - Phoenix, Shantik Foundation, Clayfield Senior Citizens Club, Campbells Town Raam Bhajan Group, Karate Classes, Phoenix Bhajan Mandir and other organizations as and when required.

All our municipality bills were paid up to date at end of March 2026.

We have experienced a very traumatic and financially burdening problem. An underground leak started under the building in the month of March 2026 and that has landed us a bill of R133 491,74 as 12/7/26. We are required to settle this amount as follows:

R51 864,55 by 31 July 2026 and

R3055,00 PLUS monthly current bill for the next 23 months (average of R10 000,00 p/m over the next 23 months).

Temples and businesses are not eligible for water leak insurance. eThekwini wants to cut supplies to us. We have arranged a payment plan with the eThekwini Council and need your heartfelt help to pay off this debt. Please help us.

Donors, please do eft into our accounts. Do not hand cash to members of temple or other people. Alternatively, an appointed team will collect cash from donors when requested by donor.

We appeal to you and your family or organization to assist us with cash donation or in kind. We will provide our current monthly receipts and payments to potential donors. We can also provide our last audited financials. You may have ideas to help improve our sustainability. We are open to suggestions.

We look forward to some positive response from yourself.
